

```
flow::CaptorTraitsFromDispatch  
    < DispatchT >
```

A diagram illustrating inheritance. A blue arrow points upwards from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
flow::CaptorTraits  
    < follower::Ranged<  
        DispatchT, LockPolicyT,  
        ContainerT, QueueMonitorT > >
```
